IMPACT GROUP QUESTIONS

Opening: This past Sunday we had our Baptism services. Together, we celebrated, with those who were baptized, how God has moved in their heart and what change God has made in their lives.

What was one baptism testimony that really made an impact on you?

Impact Group questions will look a little different tonight in light of the different worship service. We want to celebrate how God is moving in our hearts and lives.

1. Take some time to reflect and consider how God has been moving and changing us over the past few weeks and months.

a. Write those things down.

b. Spend some time having everyone sharing those things and worship God.

IMPACT GROUP QUESTIONS

2. Now, think of some struggles or challenges that are before you.

a. Write those things down. How can you worship God in the midst of these?

b. Is there something God is asking you to surrender to Him?

c. Share those with your group and take a brief time after each person shares to corporately pray for them.

Application: Is there anything you need to be doing in light of the challenges you're facing right now? How can your group hold you accountable here and pray for you?
