### Today's Main Point

Jesus is our King forever.

### Bible Summary

In 2 Samuel 7, God makes a promise to David that is called the Davidic Covenant. Remember covenant is just a big name for promise. David wanted to build God a house. David didn't want the Ark to remain in a tent, while David had a nice house to live in. Instead, God told David that He created a house for him. God told Nathan who was a prophet to give David a message. God reminded him of all that He had done for the Israelites, that He would make David's name great, and all that He would do for His people. God also said that David's son Solomon would be the one who will build a house for Him. Solomon would make some mistakes and God would punish his disobedience, but one day there would be a king from the line of David who was perfect. God would create a kingdom beginning with David that would last forever. Again we see all signs pointing to Jesus as Jesus is from the line of David and he is our king forever.

### Bible Verse

"He will be great and will be called the Son of the Most High. The Lord God will give Him the throne of His father David."  
Luke 1:32
