Book of the Bible

2 Samuel

Bible Summary

Today, we are learning about the book of 2 Samuel. In 2 Samuel 7:1-17, David had become king over all of Israel and was living at the palace in Jerusalem. He wanted to build a permanent structure for the place God's presence was in called, the ark of the covenant. David talked to the prophet Nathan about this desire. God said no to David about the permanent structure and instead gave His covenant promise to David about building David's own household. This promise says a descendant of David will rule for all eternity. This promise is called the Davidic Covenant. Jesus Christ is the King who will reign forever on David's throne. This covenant brings to fulfillment the promise God made to Abraham in Genesis 15. God's people had hope no matter what happened after the reign of King David knowing God was going to fulfill the promise He made of the greatest King ever who would rule for all eternity, Jesus Christ. In Romans 15:4, we too can read God's Word knowing these things were written to give us hope. We see all throughout the Bible whenever God made promises He always kept them. This can give us encouragement knowing God will always be faithful to keep His promises.
