

ADVENTURES of Joseph

Date: November 29, 2020

What we are learning: Today we are on the last week of our series, "The Adventures of Joseph." The life of Joseph is found in the book of Genesis. Genesis 44 takes place after Joseph's brothers came back to Egypt the second time. They came to return the silver that was in their bags and to bring extra silver to buy more food. They also brought along Benjamin as Joseph had requested. Joseph invited them to the palace to dine with them. His brothers still didn't know that Joseph was the one they had met. When they were at the palace they all bowed down to Joseph just as Joseph had dreamt about earlier. Joseph tested his brothers again to see if they still were still as selfish as they used to be. Joseph had his own silver cup put into Benjamin's bag. When this was seen Joseph's brothers were greatly upset which showed Joseph they had indeed changed. It was then that Joseph told his brothers who he was. Joseph reassured his brothers to not fear since it was God's will for this to happen in Joseph's life. Joseph asked his brothers to go bring his father Jacob back to Egypt so they could all live there with Joseph. God had a plan for Joseph in the book of Genesis. God also has a plan for us. In Psalm 139:16, we see how God created us and has a plan for us according to His will. We can have peace knowing nothing touches our lives apart from what God has allowed.

Discussion Starters:

1. What did Joseph do when he recognized his brothers?
2. Why was Jacob discouraged at the end of this chapter?
3. How can we be encouraged when are walking through things that we don't understand?

Bible Verse:

Proverbs 3:5-6

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight.
