### Today's Main Point

God saves.

### Bible Summary

Job was a man who loved God and God blessed him with family and money. When Satan saw this he said to God, that the only reason Job loved God was because God blessed him with so many things. God knew this wasn't true but He allowed Satan to take away Job's family, his money, and even his health. This of course made Job sad, but he continued to worship the Lord. Job knew that God was in control of all things, both the good and the bad and he was confident that God would redeem him. Finally, God spoke to Job in the middle of a big storm. He reminded Job of His power and Job humbled himself before the Lord. God ended Job's suffering and blessed him even more than before. Sometimes we go through hard things that we don't understand, but no matter what we can trust that God is in control. Job was confident in God's ability to redeem him, and again we see all signs pointing to Jesus who is our Redeemer.

### Bible Verse

"...Everyone who calls on the name of the Lord will be saved."

Romans 10:13
