4. Please describe the opposite traits of vs. 25-27. What prevents a woman from living this opposite lifestyle?

5. How does fearing the Lord (worshiping Him in awe and intimacy) keep a woman from being deceived by charm and getting caught up into the vanity of beauty?

6. How can a man support and honor these traits in a woman, and which of these traits can a man apply to his own life?

Challenge the Will

Based on what you learned from the study, or read in the passage, what actions/focus do you need to pursue in order to draw closer to the Lord (i.e. A godly woman shepherds the hearts of her children; a godly woman builds trust in the hearts of others; a godly woman humbles her own heart before the Lord)?
