**Jesus Teaches Nicodemus**

### Lesson Summary

In John 3:1-21, Jesus talked with a man named Nicodemus, who was both a Pharisee and part of the Sanhedrin, the Jewish ruling council. Nicodemus was drawn to Jesus after witnessing and hearing about some of the miracles Jesus had performed. Nicodemus wanted to seek out truth, so he went to talk to Jesus at night, most likely because it would give them more time to talk without a great number of people there. Jesus explained salvation to Nicodemus using four ways: birth, the wind, the serpent on the pole from Numbers, and light and darkness. Jesus was teaching that new birth comes from faith in Jesus after a person puts their trust in Him to save them, so then they receive a new life as a child of God. Jesus used the word wind, which means "spirit." We cannot see the Holy Spirit but we can see the evidence of Him in someone's life! In Numbers, God had sent a serpent to bite some of the people who weren't following God. He had mercy on them by having Moses make a bronze serpent, so that those who looked at it would be saved. So it is with Jesus being lifted up, which also means crucified. When we look to Jesus to save us and believe in Him, we are saved. Jesus explained many people are in the darkness, or their sins, and want to stay there! However, God brings light and hope into our darkness of sin. Praise Jesus for coming to this earth to seek and save the lost like you and me!
