### INFORM THE HEAD / STIR THE HEART

1. Repetition in scripture is always significant. God is making a point. With that in mind, why do you think the author of Hebrews repeated vs. 5-7 in vs. 8-9?

---

---

---

---

---

2. From vs. 9, what is the author referring to when he speaks of the “first” and “second”? How did Jesus take away the first covenant? How did He establish the second covenant?

---

---

---

---

---

3. How do we sometimes try to have the first coexist with the second in our lives? How can that be damaging?

---

---

---

---

---

4. Please explain the significance of Jesus sitting down.

---

---

---

---

---

5. God has perfected us for all time, though He is still in the process of sanctifying us. How does this impact your understanding of God's view toward you when you sin?

---

---

---

---

---

6. Why does having God's laws on our hearts and minds matter if we are forgiven of our sin? How does this impact our yesterday, today, and tomorrow?
