Opening: What truths impacted you most from the sermon/passage?
Inform the Head / Stir the Heart Please read Proverbs 3:5-8
1. What things does this passage call us to do, not to do, and what are the benefits of following these commands?
2. How is being wise in your own eyes a sign of turning toward evil?
3. Please compare Proverbs 3:7 with Isaiah 43:1, "But now thus says the Lord, He who created you, O Jacob, He who formed you, O Israel: 'Fear not, for I have redeemed you; I have called you by name, you are Mine.'" How is fearing the Lord different from being afraid?

4. Please look back at the story from Mark 4:35-41. How were the disciples leaning on their own understanding?
5. How were they acknowledging Jesus in Mark 4:35-41?
6. How did Jesus bring the disciples healing to their flesh and refreshment to their bones?

CHALLENGE THE WILL

Based on what you learned from the study, or read in the passage, what actions/ focus do you need to pursue in order to draw closer to the Lord (i.e. Know that Jesus can do anything and cares deeply; respect Jesus and expect great things as you worship Him)?
