

IMPACT GROUP QUESTIONS

KEY PASSAGE: 2 KINGS 4:18-36

Opening: What truths impacted you most from the sermon/passage?

INFORM THE HEAD / STIR THE HEART

Please read Mark 5:25-34

1. Please describe the gravity of the condition the woman had been suffering from. How would that have affected her physically, emotionally, and spiritually?

2. Jewish law considered this woman unclean because of her illness and stated that she could not enter the temple and that no one could touch her. How did the woman know about Jesus? What do you think changed about her view of Him after her experience with Him? What made the difference?

3. How does your own view of Him change when you do come to Him?

4. What is significant about the fact that Jesus called her, “daughter”?

5. What evidence do you see in this story that our righteousness is not based on works?

6. Please look back over the circumstances that were going on around this event in vs. 21-24 and 35-43. What does this tell you about God’s power, wisdom, and love?

CHALLENGE THE WILL

Based on what you learned from the study, or read in the passage, what actions/focus do you need to pursue in order to draw closer to the Lord (i.e. When in times of great pain, run to the feet of your Almighty God; persistently cry out until you have received a clear answer; worship your God as He works mightily)?
